We are an oversubscribed, expanding school, rated 'Good' by Ofsted, ranked second in the 2016 Shropshire League Tables and sixth in 2017. We are seeking to employ an inspiring and enthusiastic Teacher of Mathematics to teach across the ability range. There will be the opportunity for A-level teaching for the right candidate. This post will be ideal for a NQT or an established teacher looking for a new post. They will join a very successful and stable Mathematics department with a supportive head of department. NQTs will have a carefully managed training and support package.

Oldbury Wells is a flourishing academy, the founding school of the Bridgnorth Area Schools' Trust. At present our Trust comprises a family of four schools (Oldbury Wells plus three feeder primary schools) which are local to each other. Our Trust is committed to supporting local education and enjoys strong partnership arrangements with all local primary schools. We are a comprehensive school with students across the whole ability range. We are located just 20 minutes from the West Midlands conurbation where we enjoy a small town location in Bridgnorth within easy reach of the Birmingham and Telford areas.

We have a very good track record in terms of examination results with excellent Progress 8, Attainment 8 and VA scores. We are in a position of strength as a school, with our students successful across the range of groups and across the full range of subjects. Oldbury Wells School also has an established and flourishing Sixth Form.

Oldbury Wells School is committed to safeguarding and protecting the welfare of children and young people and therefore expects all staff to share this commitment. All appointments are subject to a satisfactory DBS check.
