

Our Ref: LTM/kmd/options#2

18 March 2021

Dear Parent/Carer

Re: Year 8 Options 2021

Just a reminder that our Virtual Options Evening will be next week on **Thursday, 25th March**. In the run up to this, please ensure your child has been speaking to all members of staff within the subject areas that they are interested in and is thinking carefully about the choices they want to make.

The Head of Year 8, their form tutor, key stage support workers and subject teachers are all happy to spend time with your child helping them to decide which are the most suitable subjects for them to take. The Options Booklet should also give you a comprehensive overview of all subjects available, as well as detailed guidance on how to make the best choices.

Key information about the options process can be found on our website under the Year 8 Options tab, alongside recorded presentations by subject leaders:

<http://oldburywells.com/year-8-options>

Online appointments for the Virtual Options Evening are available following the link on the website but please note these are only 5-minute appointments therefore we do suggest you make sure you have watched the subject presentations and/or your child has spoken to subject teachers prior to making any appointments so you are fully informed and prepared.

The Options Preference Form will become available on **Monday, 22nd March**.

If you have any queries in the meantime, please contact Assistant Headteacher, Mr Brown who co-ordinates our options process: bruce.brown@oldburywells.com.

Yours faithfully

Mr Lee Tristham
Headteacher

Key Dates:

Monday 22nd March

- Options Preference Form available online

Thursday 25th March

- Virtual Options Evening
