Dear Parent/Guardian,

Re: National Tutoring Programme - Maths

We are writing to let you know that we are participating in the 'National Tutoring Programme – Tuition Partners' (the TP programme). The TP programme provide subsidised tuition for pupils needing additional support during the 2020/2021 academic year as a result of school closures due to the Covid-19 Pandemic. The programme is being funded by the Department for Education and managed by the Education Endowment Foundation (EEF). We will be using the Tuition Partner 'My Tutor' to deliver free on-line tuition to some of students who we feel would benefit the most from some additional support. We will be using TLC Live as our Tuition Partner. TLC live offer an on-line tuition service delivered by specialist teachers. This will be fully funded by the school.

We have decided that we would like to offer this to a select number of our Year 10 students who we feel would benefit from some additional support in either English or Mathematics.

We have identified your child as somebody who would really benefit from some additional tuition in Maths. The sessions will be delivered in small groups and there will be a ratio of 3 students to one teacher. They will be tailored to suit the needs of the individual. Each student will have the opportunity within the hour to have some 1:1 time with the tutor.

The sessions will take place during what would have been their Citizenship lessons in the summer term, starting after the half term holiday.

If you would like to discuss this further, please email me
katharine.warner@oldburywells.com

Yours Sincerely

Katharine Warner
