October 2021

Dear Parents/Guardians

Re: Revision Guides

You will have recently received a letter from Mr S Wycherley on how to purchase revision guides for your child. According to our records your child is eligible for the Pupil Premium Grant. We as a school will use part of this grant to purchase revision guides on your behalf.

Please do not use the ParentPay link on Mr Wycherley's letter to purchase revision guides. Instead, use the link below to identify the revision guides you need:

<https://forms.office.com/r/Wfu4et5bZ2>

These revision guides are not only an excellent resource to support frequent revision, but to also support students at the start of their GCSEs as a course companion.

As well as revision guides the school also subscribes to GCSE Pod which is an excellent active resource that contains short videos that link directly to the exam specifications. Details of how to log in are attached. Further GCSE support resources can also be found by clicking [here](#).

To further support students we will also be running a study skills programme on Monday 8th November to supplement the work they have been doing in form time. These sessions will take place in the morning and cover revision and exam skills and also how to cope with exam stress.

Please can we ask that responses are completed via the above link no later than 3pm on Friday 5th November 2021.

Yours faithfully

Mr S Wycherley
Deputy Headteacher
