

Unit = Yr10 NEA Research & Context	Road Map				
	Assessment Grades				
Themes	Learning Goals/Outcomes/Content				
What is my chosen project focus?	<u>Task Analysis</u> <ul style="list-style-type: none"> • Introduction of AQA NEA Completion of Task Analysis section of AQA portfolio				
What do I need to find out for my project?	<u>Research Plan</u> <ul style="list-style-type: none"> • Identify research to be undertaken for project Completion of Research Plan section of AQA portfolio				
What products and inspiration already exists?	<u>Informative Mood Board</u> <ul style="list-style-type: none"> • Identify relevant products and information Completion of Mood Board section of AQA portfolio				
What are the current products on the market?	<u>Product Analysis 1</u> <ul style="list-style-type: none"> • Identify key products • Analyse products Identify key features for design ideas Completion of Product Analysis section of AQA portfolio				
What are the current products on the market?	<u>Product Analysis 2</u> <ul style="list-style-type: none"> • Identify key products • Analyse products • Identify key features for design ideas Completion of Product Analysis section of AQA portfolio				
How are current products designed and made?	<u>Product Disassembly</u> <ul style="list-style-type: none"> • Identify relevant product and disassemble • Photograph disassembly • Analyse function of parts Completion of Product Disassembly section of AQA portfolio				
What key dimensions do I need to know for my design?	<u>Critical Dimensions</u> <ul style="list-style-type: none"> • Identify relevant measurements • Present and justify measurements • Completion of Critical Dimensions section of AQA portfolio 				
Who will I make the product for and why?	<u>Customer Profile</u> <ul style="list-style-type: none"> • Identify relevant client • Write profile of client Completion of Client Profile section of AQA portfolio				
What does my client need the product to do?	<u>Client Interview</u> <ul style="list-style-type: none"> • Write interview • Conduct and record interview 				

	Completion of Client Interview section of AQA portfolio			
What have I found out for my research to inform my designing?	<p><u>Research Analysis</u></p> <ul style="list-style-type: none"> • Evaluate each aspect of research • Draw conclusions to inform designing <p>Completion of Research Analysis section of AQA portfolio</p>			
What is my project going to be?	<p><u>Design Brief</u></p> <ul style="list-style-type: none"> • Map key elements to include in design brief • Write design brief <p>Completion of Design Brief section of AQA portfolio</p>			
What must my design ideas do and why?	<p><u>Design Specification</u></p> <ul style="list-style-type: none"> • Write specification • Link research to specification • Justify specification points <p>Completion of Design Specification section of AQA portfolio</p>
