Uniform Policy September 2022

Oldbury Wells' policy on school uniform is based on the following principles in that school uniform:

- promotes a sense of pride in being a member of Oldbury Wells
- engenders a sense of community and belonging towards the school
- is both practical and smart
- identifies the pupils with Oldbury Wells
- makes pupils feel equal to their peers in terms of appearance
- is regarded as suitable wear for school and good value for money.

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- To give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back).
- Allow pupils to wear headscarves and other religious or cultural symbols.
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the school to answer questions about the policy and respond to any requests.

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. We therefore have three different uniform suppliers.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics for example, by only asking that the blazer and PE t-shirt features the school logo.
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties.
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats and bags.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating badges.
- Arrangements are in place for parents to acquire second-hand uniform items if necessary.
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

Outdoor Clothing

A waterproof coat/jacket may be worn to and from school and, if wished, crossing the road between East and West sites (but not to be worn indoors, pupils will be asked to remove coats in lessons). **Fashion sweatshirts, hoodies, denim, leather or other such tops** are not classed as outdoor wear and should **NOT** be worn to school.

Hair/Jewellery and Makeup

Hair: 'Grade One' haircuts, or other extreme cuts, and unnatural hair colours are unacceptable. Should this be the case Parents/Guardians will be contacted as this is not an acceptable appearance to be allowed in school or the classroom.

Jewellery: Years 7-11: **maximum of one** stud or small earring in each ear. For health and safety reasons **No other facial piercings** or different types of piercings are allowed. Should this occur students will be asked to remove the piercing whilst in school. There are separate rules for the Sixth Form.

Make-up: is not allowed in Years 7, 8 and 9. Older girls may use it modestly. Nail varnish should be of a clear or pale colour, but **no** nail extensions, acrylic or shellac varnish are permitted. Your child will be asked to remove any inappropriate colours.

Uniform Checks

We routinely carry out uniform checks; our uniform needs to be 'uniform'. A child unable to wear the correct uniform on any day must produce a signed letter from Parents/Guardians explaining the reason why. We also ask that **all clothing and property is named**. This then means any lost property can be quickly and easily returned to its rightful owner.

Please note: the school cannot accept responsibility for loss or damage to the clothing or uniform of individual pupils.

Sixth Form (Years 12 and 13)

Sixth Form are not required to wear uniform, but they should attend school in clothing that is of smart appearance.

During extremes of weather the Headteacher may amend the uniform requirements. For example, students will be permitted to remove their blazers on hot days.

Parents Duty

We ask parents who send their children to Oldbury Wells to support the School Uniform Policy. We believe parents have a duty to send their children to school correctly dressed in the correct school uniform. All items should be clean and marked with the pupil's name.

Parents are also expected to contact the school if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics
- The cost of the uniform.

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- Resolved locally
- Dealt with in accordance with our school's complaints policy.

The school will work closely with parents to arrive at a mutually acceptable outcome.

Staff Duty

All staff agree to support and assist in the implementation of this policy. Key members of the staff body are highlighted within the Uniform Sanctions document to aid the implementation of the Uniform Policy.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation

Governors Duty

The Governing Body decides on the uniform and subsequently supports the Headteacher in implementing this School Uniform policy. They consider all representations from parents regarding the uniform policy and liaise with the Headteacher to ensure this policy is implemented *fairly* and with *sensitivity*. It is the Governors' responsibility to ensure that the School Uniform meets all regulations concerning equal opportunities.

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Offers a uniform that is appropriate, practical and safe for all pupils.

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

Pupils Duty

The school blazer must be worn at all times. Wearing a jumper, cardigan or slip over is optional. Hooded tops should not be worn under the blazer. Shirts must always be tucked in. Ties must be worn and properly done up at all times except if playing ball games at break or lunchtime or if a teacher gives specific permission during a lesson.

Pupils should wear the uniform appropriately (school uniform is formal attire, like a suit, and as such it is inappropriate for it to be worn informally, for example with the shirt out and tie undone or at an inappropriate length). Should the uniform not be worn appropriately, or any items of uniform not be as listed on the School Uniform, the Uniform Sanctions will apply.
