

Date: Thursday 9th March 2023

Dear Parent / Carer,

Re: Update regarding school closure – Thursday 9th March 2023

I write to update parents following the decision to close school today because of adverse weather. Despite the school's decision to remain open following initial discussion, there were further developments which resulted in a later than expected decision being made to close.

Can I apologise for any inconvenience caused and thank you for your ongoing support.

For students at home today, we have uploaded a range of links to support any general work which students can access, there is no expectation for students to access any direct work following their normal school timetable.

We will continue to monitor the weather situation and related transport concerns and update parents as required.

Thank you again for your support and understanding.

Yours sincerely

Lee Tristham
Headteacher
