Dear Parent/Carer

Re: Information Evening – Post-16 Partnership between Telford College, Oldbury Wells School and Bridgnorth Endowed School

Thursday, 16 November 2023 @ 6:00pm (West Hall)

Following our previous correspondence with regards to the Bridgnorth Sixth Form (<https://bit.ly/49n4F70>), I write to provide further details about the information evening which is being held at school next week on Thursday, 16 November at 6:00pm to let you know more about the exciting developments to explore post-16 provision in the town.

You will be aware from previous correspondence and information in the local press that we are working together with Telford College and Bridgnorth Endowed School to consider a potential partnership which would support continued post-16 provision in Bridgnorth; further information can be found at the following link:

<https://www.telfordcollege.ac.uk/news/plans-revealed-to-secure-sixth-form-provision-in-bridgnorth/>

We are inviting families from across both secondary schools to attend the evening to hear more about the developments at Telford College and how these could support our students and families, and to give an opportunity to asks any questions. We are delighted that Graham Guest (Principal & CEO, Telford College), Janet Stephens (CEO, Telford College) and Michael Penn (Headteacher, Bridgnorth Endowed School) will be attending the evening to share current thinking.

Our intention is to invite all families from years 7 to 11 who are keen to find out more. In order to help plan for the evening we would kindly ask parents to complete the linked form to confirm attendance by 5:00pm on Tuesday, 14 November:

We very much look forward to welcoming all families into school and to sharing current thinking. For families who are unable to attend the evening but wish to know more, we will be sharing the presented information after the evening has taken place.

Thank you as always for your support.

Yours faithfully

Mr Lee Tristham
Headteacher
