Dear Parent/Guardian

Re: NEC University and Careers Trip 2024

As part of our careers programme, Oldbury Wells School will be taking Years 10 & 12 students to the NEC in Birmingham for their annual 'What university, What career?' event on Friday, 1st March 2024. Students will be leaving school at 9am and will be arriving back at school before 3pm in time for students to get their usual school bus/public transport home as required.

What University? & What Career? Live is the essential event for 15-19 year olds considering their options after leaving school or college.

Students will meet many of the UK's top unis and employers - including NHS, University of Oxford, Jaguar Land Rover, J.P. Morgan, Cardiff University, E.ON, University of Birmingham, BT Group, Newcastle University and many more. To find out about apprenticeships and higher education opportunities.

Students can access free one-to-one careers advice, choose from a programme of free talks covering everything from university funding options to acing apprenticeship assessment centres, and take part in a range of interactive activities to help your child take their next steps with confidence.

We are asking that parents pay £10.50 towards the cost of transport to the event. We would kindly ask that payment and consent to attend this event be done via ParentPay.

If you have any queries, please do not hesitate to contact the school.

Yours faithfully

Miss K Silverstone
English Teacher
Assistant Progress Lead KS4 & KS5
