Dear Parent /Carer,

Re: Parent Questionnaire

As we continue into the Summer term we have one eye on planning for the future and into the next academic year. This work involves gathering stakeholder views about all aspects of school life and using this to support school developmental work.

We would ask for your support in this process by completing the attached questionnaire which is used as part of this process.

Can I thank you for any support you can provide and look forward to sharing with you actions which come from feedback given.

Please complete questionnaire using the following link; submissions should be made by the 14th May 2025: <https://forms.office.com/e/BLrnXQxLjK>

Yours faithfully

Lee Tristham
Headteacher
