11 July 2025

Dear Parents / Guardians,

Re: Recycled School Uniform

We are delighted to invite you to take part in an exciting initiative led by our Trust Student Parliament. As part of their Recycling and Sustainability Campaign, there will be an opportunity to collect good-quality, pre-loved school uniform items on **Tuesday, 15 July 2025**.

Uniforms will be available for you to look at in D&T room E16 which is located just a short walk from the East Office. Upon arrival we would ask that you please sign in at the East Office, then someone will take you to the room where you will be able to look through the available uniform to see if anything is suitable.

This initiative has been organised by our Trust Student Parliament to support both environmental sustainability and our school community. By reusing uniform items in excellent condition, we reduce waste and ensure that perfectly usable clothing doesn't go unused. We believe this is a practical, sensible and community-minded approach.

If you have any outgrown uniform items in good condition that you'd like to donate, please feel free to bring them along on the day. Your contributions will help other families and ensure this initiative continues to grow.

In addition, our Student Parliament are also raising funds for Cuan Wildlife Rescue Centre, a local organisation doing incredible work in wildlife care and rehabilitation. If you would like to support this cause, we will be accepting optional cash donations on the day - every little helps and all proceeds will go directly to the centre.

This uniform exchange is just the beginning. Our Student Parliament is committed to making this an ongoing programme, supporting families while promoting sustainability throughout the school year.

Thank you for supporting this important initiative, and we hopefully look forward to seeing you on Tuesday.

Yours faithfully

Mrs E Bell
Student Parliament Coordinator
