Re: Year 7 Updates for September Start

Dear Parent/Guardian,

I hope that this letter finds you well and that you and your family have been enjoying the summer break. We had a busy start to the Summer Holidays with both the Oldbury Wells Transition Summer School and the Bridgnorth Area Sports Camp. Feedback from those who attended was overwhelmingly positive with both students and staff enjoying the week.

With September around the corner, I wanted to update you on the plans for the start of the new academic year and your son/daughters first week at Oldbury Wells. Year 7 students will be the first to return on Tuesday 7th September and will spend the full first day completing induction and team building activities. Year 7 students will commence their normal timetable from Wednesday 8th September. Other year groups will return to school across the first week and as a result there will be an extended tutor period, running across morning registration and period one each day. If there are any further updates between now and September, you will be notified by our text service, which is our main form of communication across the year. It is therefore imperative that we have your up-to-date details and all OW1 registration forms returned before September.

As you will already be aware from Mr Tristham's letter earlier this month, Covid-19 testing of pupils will take place on their return to school. With this in mind we would be grateful if you could complete the consent (<https://forms.office.com/r/CZ4xDa3xsb>) as outlined in the communication.

We are very much looking forward to welcoming your son/daughter to Oldbury Wells in September and hope that you enjoy the remainder of your Summer break.

Yours faithfully

Mr Tom Williams
Assistant Headteacher
