Dear Parents/Guardians

**Re: Revision Guides (Pupil Premium/FSM eligible students)**

You will have recently received a letter from Mr Wycherley on how to purchase revision guides for your child. According to our records your child is eligible for the Pupil Premium Grant. We as a school will use part of this grant to purchase revision guides on your behalf.

**Please do not use ParentPay to purchase revision guides. Instead, use the link by clicking [here](#) to identify the revision guides that your child needs.**

These revision guides are not only an excellent resource to support frequent revision, but to also support students at the start of their GCSEs as a course companion.

As well as revision guides the school also subscribes to GCSE Pod which is an excellent active resource that contains short videos that link directly to the exam specifications. Details of how to log in are attached. Further GCSE support resources can also be found by clicking [here](#).

Please can we ask that responses are completed via the above link no later than 3pm on Monday 6<sup>th</sup> December 2021, a text message will be sent when guides are ready to collect from West Reception after we return to school in the New Year.

Yours faithfully

Mr B Brown
