Dear Parent/Carer,

Re: End of Term & Happy Easter

As we approach the end of term, can I take the opportunity to thank all students, staff and families for their hard work and support during what has been a busy, but unusually short term. As we approach the end of the Spring Term, I know everyone will be looking forward to a well-deserved break over the Easter period and will be using the opportunity to refocus, recharge and prepare for an exciting summer term.

For students in Year 11 & 13, it is vitally important that alongside their break, they continue to maintain their focus and preparation linked to examinations and for all other students, time is spent considering targets, goals and achievements for the weeks ahead.

We will shortly be circulating our end of term Journal, as always highlighting the fantastic work that students have been completing across the term. A reminder to parents that updates are frequently shared across our social media pages, this gives families a constant feed across the year of the wonderful achievements of all our students.

At the end of term we say goodbye to two of our staff, Ms D'Laney (Teaching Assistant) who will be missed by the team and the students she offers direct support for in school, alongside Mrs Wellings (Exams Officer) who has done an outstanding job in school over the last 9 years to ensure that students and staff are well supported throughout the examination series, ensuring everything is in place so all students receive the support and guidance through a significant part of their OWS journey. Mrs Wellings has been a key contact for many families with general queries about all matters related to examinations, alongside many wider aspects of school life and I know everyone will want to pass on their thanks and wish her all the very best in her new role.

During our end of term assembly tomorrow, following on from our celebration assemblies this week, we will be acknowledging the achievements of all our student who continue to do amazingly well in school, alongside looking at our end of term House Winners; a great way to end the term.

I hope you all have an amazing time with family and friends over the holiday period and look forward to welcoming everyone back into school on Monday, 8th April.

Happy Easter everyone!

Lee Tristham
