4 February 2025

Dear Parent/Guardian

**Re: Y11 GCSE March Mock Examinations
Monday, 24 February – Thursday, 6 March 2025**

Students in Year 11 will be sitting a second set of mock exams in a number of subjects - Science, Biology, Chemistry, Physics, PR, Spanish, Mathematics, Food, i-Media, English Literature and Drama.

The exams will take place from Monday, 24 February until Thursday, 6 March 2025 in the West gym (unless a student has an arranged alternative provision).

We will be speaking to students in school but also remind you that full details of the mock examinations, including revision materials and mock timetables are available on the school's website: [Click Here](#) for link

- For examinations taking place in Tutor time, Period 1 and Period 2, students should go directly to the West Hall on arrival to school.
- For examinations taking place in Period 3 and Period 4, students should go directly to West Hall after break.

Please be aware that in order to accommodate the Chemistry exam on Tuesday, 25 February students will take lunch early.

If students are uncertain about any of the arrangements, it is essential that they speak to their Form Tutor, Head of Year and/or other key staff.

I wish students every success for their examinations, which are extremely important. I know all students will be putting lots of work into revision and working hard with teachers to ensure the very best preparation. Can I thank parents in anticipation of their support to ensure their child approaches these exams in a positive manner, using the opportunity to its full benefit.

Good luck to all our students.

Yours faithfully
