June 2025

Dear Parents and Guardians,

Subject: New Uniform Recycling Initiative – Donations Welcome!

We are excited to announce a new Uniform Recycling Initiative, proudly led by our Student Parliament, with the aim of supporting families in our school community and promoting sustainability.

We are inviting donations of clean, damage-free school uniforms that your children may have outgrown. This includes items such as trousers, skirts, blazers and PE kits - all in good, wearable condition.

To make donating as easy as possible, our two Student Parliament representatives have created uniform recycling bins, which are now located in both the West and East foyers of the school. Donations can be dropped off there at any time during the school day until Monday, 30th June 2025.

Once we have collected enough items, the Student Parliament will host a Uniform Recycling Event, where parents and guardians will be invited into school to browse and take home any suitable recycled uniforms. The event will be free to attend, with the option to make a voluntary donation, and all funds raised will be donated to a charity chosen by the Student Parliament.

This initiative is a great opportunity to reduce waste, support one another and contribute to a good cause. We truly appreciate your support in helping us make it a success.

Thank you for your generosity.
Warm regards,

Mrs E Bell
Student Parliament Coordinator
