To prepare for the year ahead and give your son/daughter the best possible preparation for their final year of GCSE studies, we are holding an examination preparation evening on 6 November 2025 for our Year 11 students and parents.

During the evening, we will cover:

- Revision strategies – helping your son/daughter to cope with the weeks before and during exams.
- The heads of department for GCSE subjects English, Maths and Science will give some subject specific guidance.
- Other heads of department will also be available for other specific subject information.
- Examination stress and coping strategies.
- What happens on results day.

At the evening:

- We will be giving out a booklet on preparing for the examinations, particularly looking at revision strategies.
- The head of year 11 will be there if you wish to discuss any specific issues in the run up to the exams.

We hope you will find the evening useful and informative and would appreciate if you could indicate if you will be attending the evening either via the Microsoft form link below or by scanning the QR code.
