

Our amazing **Black History Month Art Competition Winners** are:
Marlee Relph (11KSL), Ava O'Meara (11NPO) and Georgina Harman (9CHA)

Each of these talented students created outstanding, high level portrait work inspired by the influences, style, colours and techniques of the focussed artists. Their work is now being proudly displayed in the Art department to celebrate their creativity and effort.

Well done to Marlee, Ava and Georgina for creating such fantastic artwork!
