Dear Parent/Guardian

Re: Y11 GCSE Spring Mock Examinations
Monday, 2 March – Wednesday, 11 March 2026

Our Year 11 students have been working incredibly hard during the start of the Spring term and have recently been preparing for their next set of mock examinations. These will be taking place from Monday, 2 March until Wednesday, 11 March in the West gym (unless a student requires alternative provision).

We will be speaking to students in school but will also ensure that full details of the mock examination timetables are available on the school website:

<https://oldburywells.com/media/70465/mock-exam-tt-mar26.pdf>

- For examinations taking place in Tutor time, period 1 and period 2, students should go directly to the West Hall on arrival to school.
- For examinations taking place in period 3 and 4, students should go directly to West Hall after break (or a classroom if stated on the timetable)

Students who have alternative arrangements for their exam location, such as those who work in Learning Support or have exam access arrangements, will have this information relayed to them in advance. The main contact for these students is our SENCO, Mrs Morgan. If you have any queries regarding this, please email: catherine.morgan@oldburywells.com

If students are uncertain about any of the arrangements it is essential that, in the first instance, they speak to their form tutor or Head of Year.

I know all students will be working hard and revising thoroughly for these important exams and are engaging with their teachers to ensure the very best preparation. I would like to wish all students every success in this set of mock examinations.

I would also like to thank parents in advance for their continued support in helping their children approach these exams positively and make the most of this opportunity.

Good luck to all our students.

Yours faithfully

Mr S Farish
