5 March 2026

Dear Parents / Carers

Re: Year 8 - Oswestry Hospital Work Experience - 24 March 2026

We are pleased to be able to offer an engaging workplace experience day designed to give students a real insight into careers within health care. The Robert Hunt and Agnes Jones Orthopaedic Hospital in Oswestry is offering 15 pupils the opportunity to experience working life at the hospital.

The day will include:

- Hospital Tour – Explore key areas of the hospital environment.
- Guest Speakers – Hear from professionals about their roles and career journeys.
- Department Activities – Hands-on sessions in areas which may include:
 - Radiography
 - Physiotherapy
 - Occupational Therapy
 - Nursing
 - Theatres
 - ORLAU (Orthotic Research & Locomotor Assessment Unit)
- SimLab Activity – “Pete’s Problem” - A simulation where students identify patient care and safety issues using interactive walls and a lifecast manikin. This is followed by a discussion with Practice Development Nurses to raise awareness of correct practice.

We will be travelling to Oswestry via minibus and will leave to accommodate school buses. Pupils will need to bring packed lunches. If you are in receipt of FSM and would like us to provide a packed lunch please indicate this on the consent form where appropriate.

If your child would like to take part please complete the necessary consent which can be found on ParentPay.

If you have any queries please do not hesitate to contact the school.

Yours faithfully

Mrs April Bishell
Assistant Headteacher
