Dear Parent/Carer,

Re: Year 10 Parent & Carer Information Evening – 11 May 2026

We are writing to invite you to attend a Year 10 Parent and Carer Information Evening, designed to provide key guidance and support as students move into an important stage of their GCSE courses. The evening will focus on helping parents and carers understand what to expect during Year 10, particularly as students prepare for their forthcoming mock examinations.

Event details:

Date: Monday, 11 May 2026

Time: 5:30 - 6:30pm

Location: West Hall (*please park in the carpark on the East Side*)

This session will give you the opportunity to:

- Understand the expectations and demands of Year 10
- Receive key information from English, Maths and Science about curriculum focus and preparation
- Gain practical advice on how to best support your child over the coming months

I would also like to take this opportunity to introduce myself; my name is **Siobhain Clegg** and I am the school's new **Inclusion Deputy Headteacher**. My role is to ensure that all students receive the right support to help them feel confident, included, and able to achieve their best. I work closely with families, teaching staff, pastoral teams and the SEND team, and I am keen to build strong, open relationships with parents and carers.

As students' progress through Year 10, expectations increase and preparation for **mock examinations** begins. This evening will focus on helping you understand what this means for your child, the support available in school, and how we can work together to support their learning and wellbeing. By bringing parents and carers together at this point in the year, we aim to reinforce high expectations, clarify important messages and ensure a shared understanding of how school and home can work in partnership to support students' success.

The session will last no longer than one hour and will be structured to provide clear, focused information, with opportunities to ask questions. So we have an idea of numbers, could you kindly follow the link to confirm whether you will or will not be able to attend: [CLICK HERE](#)

We hope you will be able to join us and take advantage of this valuable opportunity to support your child. If you have any questions in advance of the evening, or require any additional support to attend, please do not hesitate to contact me, via my email address: siobhain.clegg@oldburywells.com or by telephone: 01746 765454.

Thank you for your continued support and commitment to our learners and we look forward to welcoming you on the evening.

Yours faithfully

Siobhain Clegg

Deputy Headteacher Achievement, Inclusion and Standards
