Dear Parents and Carers,

School Uniform

As we approach the end of another successful school year, I would like to take this opportunity to thank you for your continued support, particularly in ensuring that your child attends school in the correct uniform each day.

As you will be aware, maintaining high standards of uniform has been a key focus for us this year and we have been delighted with the positive response from students and families alike. Throughout the year, our students have looked exceptionally smart, and this has made a real difference to the atmosphere and culture of the school. A smart, consistent uniform does far more than create a positive first impression. It helps to foster a sense of pride in being a member of the Oldbury Wells community, reinforces our high expectations and promotes a strong sense of belonging. Seeing our students wear their uniform with pride has reflected the values we strive to develop in all members of our school community.

We know that maintaining high standards is only possible through the partnership between home and school, and we are grateful for the support you have given us throughout the year. Your commitment has played an important role in helping us establish these expectations, and we appreciate your ongoing encouragement of your child in representing the school so positively.

As we look ahead to the new academic year, we ask for your continued support in ensuring that students return in September wearing the correct uniform and ready to build on the excellent standards that have been established this year. The uniform policy is available on our website which gives a detailed description of all the uniform items if you are unsure about anything - [uniform-policy-sept-2025.pdf](#)

As always, if you have any questions or concerns, please do not hesitate to contact your child's relevant pastoral team and they will be happy to speak with you. We will always try to support you with any uniform issues that you may have. We have a stock of uniform that we will be happy to provide your child with if required so please do get in touch if you need any support.

If any parent/carer has any pre-loved uniform that they no longer need, we would love for these to be donated to school to help another family in our school community. Our donation drop boxes are located in the main West reception.

Thank you once again for your partnership and support. We wish you and your family a restful and enjoyable summer break, and we look forward to welcoming our students back in September.

Yours faithfully

R Lawson
